

What is International Experience Canada?

International Experience Canada fosters closer relations between Canadians and Taiwanese through an initiative that gives young people between the ages of 18 and 35 a mutual understanding of other cultures through travel, life and work experience abroad.

International Experience Canada provides a temporary work permit for up to one year, giving participants the opportunity to acquire professional or hands-on experience as well as to improve their knowledge of the languages, culture and society of Canada.

什麼是體驗加拿大計畫？
